## Sponsorship Opportunities

Please join us on **Tuesday, May 13, 2008** at the Holiday Inn City Centre, 11:30am—1:00pm, and welcome **keynote speaker Barbara R. Snyder, first woman President, Case Western Reserve University**. Barbara Snyder will share her personal anecdotes on achievement, growth, empowerment and embracing change. We are also honored to have **Senator George V. Voinovich as Honorary Chairperson** and **Mr. Edward Handy III, President and CEO, Charter One Bank, Ohio, as Master of Ceremonies**.

The Transitional Housing, Inc. (THI) Founders Day Luncheon is a special way to remember those who embody the spirit of our founders. For over 20 years, THI has been a safe haven for women who are homeless. As an event sponsor, you will help assure that women in our community have access to safe housing and the programs and services that guide them to independence and self-sufficiency, like the needs defined below. We will work closely with you to develop a sponsorship package that meets your corporate marketing objectives.

*Every day THI is home to 61 women and a number of infants and toddlers. This former Travelodge, now 50 years old, is in need of updated kitchen units, plumbing, flooring, heating units, and windows to provide safe, comfortable housing for our residents.*
